Bachelor Europese Studies: Taalvaardigheid

## Leerdoelen:

At the end of this course the student is able to:

- understand the main ideas of complex texts,
- interact with a high degree of fluency and spontaneity and
- produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue, detailing the advantages and disadvantages of various options.

## Inhoud

- This course is offered for students who have a thorough understanding of everyday Dutch, have a good understanding of Dutch at an academic level and can express themselves in spoken and written Dutch in daily and professional situations.
- The course aims at improving and developing further skills and strategies to enable students to successfully handle academic oral and written tasks in Dutch. Students will increase their overall vocabulary while gaining a greater knowledge of complex problems in Dutch grammar and syntax.
- Students will continue to learn about Dutch culture and society through poetry, short stories, songs, films and documentaries.
- By using multi-media the teacher provides learners with opportunities to develop the four language skills; listening, reading, writing and speaking.
