Bachelor Europese Studies: Taalvaardigheid

Leerdoelen:

At the end of this course the student is able to:

- understand the main ideas of complex texts,
- interact with a high degree of fluency and spontaneity and
- produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue, detailing the advantages and disadvantages of various options.

Inhoud

- This course is offered for students who have a good understanding of everyday Dutch and of Dutch used in the media and can make themselves understood in everyday Dutch, but still make quite a few mistakes.
- The course aims at improving and developing skills and strategies to enable students to successfully handle more complicated oral and written tasks in Dutch. Students will increase their overall vocabulary while gaining a greater knowledge of problems in Dutch grammar and syntax.
- Students will continue to learn about Dutch culture and society through poetry, short stories, songs, films and TV programmes.
- By using multi-media the teacher provides learners with opportunities to develop the four language skills; listening, reading, writing and speaking.
