### Classroom activities
Both Summer and Winter course activities are founded upon various tasks. These tasks are functional, and are directly linked to a concrete situation, such as ‘having conversations with people on the street’ or ‘writing a job application’. By using multi-media, the teacher provides learners with opportunities to develop the four language skills: listening, reading, writing and speaking.

### Application procedure
The Summer course is jointly organised by the INTT and the Amsterdam-Maastricht Summer University (AMSU). The INTT processes applications from UvA-students, the AMSU deals with applicants paying the non-reduced fee. These applications can be submitted online via www.amsu.edu. Participants paying the non-reduced fee are entitled to use the facilities of the AMSU: University Club, cultural programme and tourist programme.
